

Accessibility on the S10 line

Zurich main station – Triemli – Uitikon Waldegg – Uetliberg
Valid from 12 December 2021

Information on the rolling stock

- Low-floor rolling stock on all routes
- Short-term adjustments can be made to the rolling stock.

Legend

- Can be accessed independently
- Cannot be accessed

Take care when exiting onto partially elevated platforms. Depending on the train's arrangement, the full length of the train / low-floor carriages may not stop in the appropriate area.
